Project Overview

About WIPROPOMAX

WIPROPOMAX is a modern, secure and decentralized crypto investment platform that combines USDT Staking, Token Mining, and a powerful Referral & Level Income System to create multiple earning opportunities for global users.

Our Objectives

- Provide a secure and user-friendly investment ecosystem.
- Enable wealth growth through USDT and Token utilities.
- Build a sustainable multi-income platform for a global community.

Our Income Opportunities

- Referral Income
- Staking Income
- Mining Income
- Staking Level Income
- Mining Level Income
- Reserve Fund

Types of Income

WIPROPOMAX offers six powerful income opportunities to help users build long-term and sustainable earnings.

Referral Income

Earn a commission when your referred user makes their first deposit.

Staking Income

Earn daily ROI by staking USDT for 12, 24 or 36 months.

Mining Income

Earn daily ROI by mining with the project token for 12, 24 or 36 months.

Staking Level Income

Get one-time rewards and daily team income share based on your staking team structure.

Mining Level Income

Get one-time rewards and daily team income share based on your mining team structure.

Reserve Fund

Invest with USDT or Token and earn 0.5% daily compound return with level benefits.
